of Messe Augsburg ASMV GmbH

1. REGISTRATION

Registrations must be submitted in written or text form.

2. APPROVAL OF BUSINESSES AND EXHIBITS

All manufacturers and service providers from Germany and other countries as well as those firms authorised by a manufacturing work to exhibit their products will be eligible for approval. All exhibits must be accurately designated in the registration form (which is at the same time an application for approval) and comply with the list of goods and services submitted by the Exhibitor for this trade fair. Likewise, the stand must be approved by Augsburg Trade Fair in accordance with No. 7. Only registered exhibits approved by Augsburg Trade Fair may be displayed. Augsburg Trade Fair shall reserve the right to approve businesses, Co-exhibitors and additional businesses represented (see No 3) as well as exhibits. Organizers of shared stands shall not be regarded as Exhibitors. This means that an Exhibitor has to submit an application naming the other parties of a shared stand who are Co-exhibitors. Co-exhibitors and their goods must be registered by the exhibitor. They will be listed in the online exhibitors' list as an exhibitor.

3. CO-EXHIBITORS AND ADDITIONAL BUSINESSES REPRESENTED

An application for the approval of Co-exhibitors and additional businesses represented (these also include associated businesses such as subsidiaries and sister companies) is to be made in text form. For each Co-exhibitor and each additional business represented there will be a fee of EUR 280.00 payable.

4. PRICES

Registration fee: EUR 280.00

The registration fee includes a complimentary basic-entry in the exhibitors' list (e-media). Up to six brands are included.

The prices are net prices per m² floor space:

Corner stand	EUR 89.00 per m ²
Peninsular	EUR 99.00 per m ²
Island stand	EUR 109.00 per m ²

Outdoor stand EUR 30.00 per m²

The supply of corner, peninsular and island stands is limited.

There will be a 50% surcharge for the respective price per m² for the covered floor space if a stand is designed to be 2-storey. The prices will not only include the rent of the stand space but also the following extensive services rendered by Augsburg Trade Fair: advice, conceptual planning and PR work for the event as a whole.

Promotion campaigns outside a stand are subject to the prior approval of the project management at Augsburg Trade Fair. The costs for promotion campaigns are EUR 600,- per day and promoter.

Applications for special parking spaces must be made in writing in good time prior to the beginning of the Augsburg Trade Fair. The cost of each special parking space is EUR 180.00.

Additional costs will be incurred for connections and unit consumption (E.g. power, water, telephone etc.) see No. 8.

5. TERMS OF PAYMENT, PAYMENT IN ADVANCE

The payment dates quoted in an approval must be observed. Augsburg Trade Fair is only able to stipulate advance payments of up to 100% of the total price charged in accordance with No. 3 and 4 including connection charges and the unit charges to be expected no earlier than 6 months prior to the beginning of the trade fair.

The prior payment in full of the invoiced sums is a condition for obtaining stand space, for being included in the trade fair catalogue and for being issued with Exhibitor identification.

All invoiced sums in all invoices presented by Augsburg Trade Fair in connection with the trade fair are to be remitted in full, free of charges, and in euros, quoting the invoice number, to the account quoted in the invoice.

For value added tax reasons invoices may only be made out to the Exhibitor as beneficiary and party to the contract with Augsburg Trade Fair, and not however to another party nominated by the beneficiary to receive the invoice.

6. ASSEMBLY AND DISMANTLING TIMES

The official stand assembly period begins at 08.00 a.m. on 5th of April and ends at 04.00 p.m. on 6th of April. Additional time can be ordered. All delivery vehicles and stand assembly vehicles must be out of the halls and off the open-air site. Vehicles still in the halls or on the open-air site before the above-named times shall be removed by Augsburg Trade Fair at the risk and cost of the Exhibitor concerned.

The official dismantling period begins one hour after the end of the event and ends at 06.00 p.m. on 11th of April 2018.

Trade show stands must neither be closed nor dismantled ahead of time. Non-observance of this will result in a claims damage demand amounting to half of the stand rental.

The process of dismantling and returning the space to its original condition must be concluded by the deadline indicated.

During the last day of the trade show the exhibition grounds will remain barred for all vehicles including suppliers between 01.00 - 06.00 p.m. Vehicles required for transport will be admitted to the grounds on the last day of the trade fair without exception at the earliest at 06.00 p.m.

It's also obligatory to use a floor covering. The pre-printed order form for these walls (height 2.50 m) and floor coverings will be provided to the Exhibitors with the Exhibitor service documents by Augsburg Trade Fair in good time.

The Exhibitor is responsible for public safety, operational safety, fire safety for the entire stand as well as compliance with all the applicable laws and regulations in force, also to the extent that the stand is ordered or run by Co-Exhibitors or additional represented businesses. It is the Exhibitor's responsibility to obtain the necessary official and other public-law approvals as well as to comply with the registration obligations (with authorities and GEMA) and likewise to bear the associated costs and the costs associated with compliance with official conditions for the entire stand.

It is not allowed to set up presentations and exhibits in the aisles and in front of emergency exits.

tation of the trade show, the organiser may request that the stand is changed at the cost of the exhibitor. In case this request is not complied with at once, the organiser is entitled to initiate a change to the charges billed to the exhibitor or even cancel the contract citing crucial matters with immediate effect.

Each exhibitor has to provide the display space allocated to him with his complete company address. In doing so he should observe all relevant instructions as requested by the organiser.

The organiser can change or cancel already confirmed space allocations. He has to inform the exhibitor accordingly.

General Terms and Conditions for Exhibiting

of Messe Augsburg ASMV GmbH

1. USER

The user of these General Terms and Conditions of Exhibiting is Augsburg Schwabenhallen Messe- und Veranstaltungsgesellschaft mbH, Am Messezentrum 5, 86159 Augsburg, hereinafter known as "Augsburg Trade Fair".

2. EXCLUSIVE VALIDITY

These General Terms and Conditions of Exhibiting alone plus all other conditions incorporated by Augsburg Trade Fair shall apply. This also includes the house rules, technical guidelines, the setting-up regulations and the conditions for fire protection and fire safety regulations that the exhibitor will receive from the Exhibitor's Manual. If an Exhibitor has differing terms and conditions they shall not apply.

3. LOGISTICS

The Exhibitor is obliged to source all utility connections, customer services and other services from Augsburg Trade Fair alone.

4. THE RIGHTS OF AUGSBURG TRADE FAIR WHEN AN EXHIBITOR CANCELS HIS STAND

If an Exhibitor cancels his stand at the trade fair, Augsburg Trade Fair is entitled to hire out the spaced hired by the Exhibitor to another party. This shall apply irrespectively of whether the Exhibitor is entitled to a right to withdraw from the contract.

An Exhibitor, who cancels their stand at the trade fair without being entitled to a right of withdrawal, has to pay all the agreed payments to Augsburg Trade Fair if the stand space is empty during the trade fair.

This shall also apply if Augsburg Trade Fair has hired out the stand space to another party. In this case Augsburg Trade Fair shall, however, have to subtract the amount of expenditure saved plus the benefits accruing to it from hiring out the stand space to another party from what is owed by the cancelling Exhibitor.

If Augsburg Trade Fair does hire out the stand space to another exhibitor, who would otherwise have been unable to obtain stand space in the hall, the Exhibitor shall have to pay Augsburg Trade Fair a lump sum of 25% of the price agreed for the stand space (excluding ancillary costs) as reimbursement for expenses. Augsburg Trade Fair may however, also demand that damages in excess of this figure are paid. The Exhibitor may demand that the lump sum he has to pay as reimbursement for expenses is reduced if he is able to prove that the expenses incurred by Augsburg Trade Fair are less than the lump sum claimed.

5. EXCLUSION FROM FUTURE TRADE FAIRS IN THE EVENT OF BREACHING THE TERMS AND CONDITIONS OF EXHIBITION

Augsburg Trade Fair is entitled to exclude exhibitors from exhibiting at future trade fairs who breach the General Terms and Conditions of Exhibiting or the Special General Terms and Conditions of Exhibiting in force for the trade fair concerned in spite of being warned by Augsburg Trade Fair to refrain from doing so, irrespectively of all their other rights.

6. THE RIGHT OF WITHDRAWAL FROM AUGSBURG TRADE FAIR

Augsburg Trade Fair may withdraw from the contract with the Exhibitor if he has not made payments due under the contract, and has also failed to do so within a reasonable subsequent period of time set for payment by Augsburg Trade Fair.

Augsburg Trade Fair may likewise withdraw from the contract if the Exhibitor is in breach of his contractual obligation to show consideration for the rights, objects meriting legal protection and interests of Augsburg Trade Fair and Augsburg Trade Fair can no longer be expected to abide by the contract.

In all of the above-named cases of withdrawal from contract by Augsburg

Trade Fair, it shall also be entitled, in addition to withdrawal, to demand all agreed payments in a lump sum from the Exhibitor as compensation for damages.

Augsburg Trade Fair may, however, also demand compensation for damages over and above this. The Exhibitor may demand a reduction in the lump sum compensation for damages if he can prove that the damages incurred by Augsburg Trade Fair are less than the lump sum claimed.

7. CANCELLATIONS AND DISRUPTIONS AS A RESULT OF FORCE MAJEURE OR OTHER REASONS FOR WHICH AUGSBURG TRADE FAIR IS NOT TO BLAME

If the trade fair cannot be held as a result of force majeure or for other reasons for which Augsburg Trade Fair is not to blame, or if it has become unreasonable to expect Augsburg Trade Fair to hold the trade fair, and Augsburg Trade Fair cancels the trade fair for one of these reasons, each Party shall bear its own expenses incurred up until that point in time. Augsburg Trade Fair cannot be held liable for damages or disadvantages sustained by the Exhibitor. If Augsburg Trade Fair has made payments in advance, which are to be borne by the Exhibitor in accordance with the Special General Terms and Conditions of Exhibiting applicable for the trade fair, or in accordance with other contractual arrangements, these costs shall consequently have to be refunded by the Exhibitor.

If Augsburg Trade Fair is forced, as a result of force majeure or on account of other reasons for which it is not to blame, to postpone or to clear a part of the hall at intervals or for a lengthy period of time, or to postpone the trade fair or to shorten it in terms of time, this shall not substantiate any rights on the part of the Exhibitor against Augsburg Trade Fair to withdraw or to serve notice of termination or any other rights as a result, in particular the Exhibitor shall not be entitled to assert compensation claims for damages against Augsburg Trade Fair.

8. LIMITATION OF LIABILITY OF AUGSBURG TRADE FAIR

In addition to this, Augsburg Trade Fair shall be liable for other damages attributable to a negligent breach of important contractual duties committed by Augsburg Trade Fair its legal representatives or assistants. In these cases Augsburg Trade Fair shall only be liable if such damages are typical damages and in such cases it will only be liable up to the value of foreseeable damages typically foreseeable for each damage event. This limitation of liability shall only apply to businessmen, legal entities created under public law and public-law special funds.

Augsburg Trade Fair shall not be liable to exhibitors, businessmen, legal entities created under public law and public-law special funds for damages to, and loss of, items brought in by the Exhibitor, stand fittings, as well as stand components, regardless of when such damages or losses are incurred. The Exhibitor shall be liable for all damages accruing from starting up technical devices the Exhibitor has brought in to the Augsburg Trade Fair premises, provided that the damages are not attributable to intent or gross negligence on the part of Augsburg Trade Fair or its assistants. The Exhibitor shall have to find out what the maximum loads are, and in particular concentrated load permitted for the hall flooring at the Augsburg Trade Fair prior to setting up machinery, devices and other structures and comply with the notified maximum loads.

Every exhibitor is obliged to take out an insurance policy providing adequate cover for the named risks from an insurance company based in the European and to pay over all the payments due for this policy in good time.

10. CHOICE OF LAW CLAUSE
